Author visit for Owls and Swans

Last term, as part of our drive to encourage Reading for Pleasure, Swans and Owls class were lucky to have an online visit and workshop with Bethany Walker!

Beth Walker is a children's author who enjoys writing and reading funny books. She grew up in North Lincolnshire and has a whole range of books under her belt several of which have been best sellers! She used to be a teacher, before moving on to work in the education department for museums. The children really enjoyed their session with Bethany and we hope that this will inspire them to read some of her books. Thankyou to Mr Richardson for organising this special opportunity for the children.

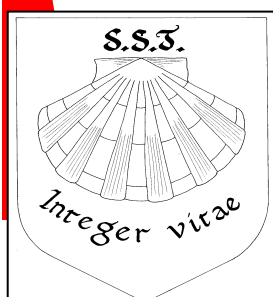

Sports Day and Picnic!

On the last day of term, we all had great fun at our annual sports day, with all children taking part in a carousel of activities during the morning to score points for their houses, before being joined for a picnic lunch by their parents and then taking part in some competitive races during the afternoon. Thank you to everybody that came along and enjoyed this special day with us, especially those who joined the parents tunnel ball team and sprint races! A special congratulations to Nene House who were victorious on the day scoring an amazing 502 points!

Polite Reminder—Disabled Parking

Please could we remind all parents that they should only park in the disabled bay, both at the front of school and in the school car park if they are displaying their blue badge. Thank you.
