9th July 2026

Dear Parent/Guardian

Bikeability Level 2 Cycle Training
Year 5 and 6 Pupils (next academic year)

'Bikeability' is the modern form of Cycling Proficiency updated for the 21st Century. It provides appeal and incentive for children and parents alike to undertake quality cycle training to ride safely and responsibly on modern roads. Cycle training is the vital life-skill required before 'more children cycling, more safely, more often' can become a reality, and all the associated benefits of a new generation of young people cycling can be realised, including better health and less congestion.

We would like an indication of how many pupils would like to take part in the training which will be taking place during W/C 9th November 2026.

It is essential that children know how to bike safely and this is a great opportunity for them to be trained to do so, helping to ensure their safety on the roads.

Please can we have the slip returned by **Monday 13th July** as the Bikeability company need an estimate of numbers.

Yours sincerely

C. Willows

Miss Claire Willows
Headteacher

Bikeability Level 2 Cycle Training

I am interested for my child.....to take part in the Bikeability Level 2 Cycle Training.

Signed.....

Date.....

Please return by Monday 13th July.
