Weekly Update

Issue 447

22nd July 2026

PTA Disco—Tonight!

We are looking forward to seeing you all at the Disco tonight at Sutton St James Village Hall from 6pm—7.30pm. The air-conditioning will be on so we are looking forward to a nice cool evening! See you soon—no ticket required, pay at the door!

Date for Next Year

Next week's weekly update will have the proposed key dates for the next full academic year on it. Please make sure that you make a note of these and pop them all into your diary so that you don't miss any of our key events. As always, these dates are subject to change, but we will endeavour to keep them the same, and you will be notified if change have to be made to any of them as early as possible. Holiday dates for the next two academic years can be found on the left—please ensure that when booking a holiday, you do so out of term time to avoid your child missing important education and you being issued a fine. Thanks.

Freestyle Football Workshops

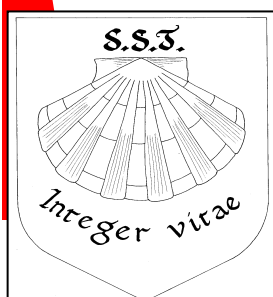

On Tuesday this week, we were excited to be have some special workshops paid for from the sports premium money. These were led by Rebaz Mohammed who is a professional football freestyler and 6x Guinness World Record holder based in Birmingham. He has performed for major brands including Adidas, Red Bull, UEFA and the English Premier League. The children (and teachers) all watched him perform some tricks, before having a go themselves! It was great fun practising and improving our skills and we all really enjoyed this workshop. After school, some of the children who were spotted trying really hard in the workshops during the day were chosen to stay for a special masterclass after school.

Ofsted Report

Last week, we were happy to be able to share with you the final Ofsted report from our recent inspection on 2 / 3rd June. This report highlighted many positive things about the school and what it is like to be a pupil in the school. We are very pleased that the hard work and dedication of our team has been recognised and the evidence collected supports our children having a sense of belonging and safety in school. We would like to say a big thank you to all of the parents of children in the school who were supportive during this process either by speaking to the Inspectors or for completing the Parentview survey online. If you have any questions about the report, please do not hesitate to come in and speak to Miss Willows. We would also like to say a big thank you to the children at the school, who all represented the school fantastically! We are incredibly proud of you all!
