Tuesday 16th September 2025

Dear Parents/Carers,

Thank you to those of you who were able to attend the Meet and Greet session for Swans class yesterday.

As explained during the meeting, as children get older and progress through school, expectations become higher as the level of work increases. All of the teachers and support staff in school do a wonderful job of supporting and nurturing children with these increased expectations as they enter a new academic year. Expectations, in terms of behaviour, difficulty of work, presentation and attitude all increase year on year as the children mature. This ensures that they make progress. If expectations in all areas did not increase, then children would not move forwards in all areas.

As we move forwards into Year 4, if you have any individual concerns about your child in the coming year, then please feel free to discuss this with Miss Dring at the forthcoming parents evening or make an appointment to speak to Miss Willows.

We look forward to working with you to ensure that your child continues to flourish in Year 4 and makes great progress across the year.

Yours sincerely

C. Willows
