Dear Parents and Carers,

Storytime Surprise

Where the ‘magic’ lies. Stories provide shared contexts for rich, natural language development from a very young age, and throughout the primary years. The ‘magic’ lies in the way stories potentially engage children’s hearts and minds, as people and as thinkers, with issues that are relevant, real, and important to them.

Stories are a key part of Wrens’ children school day. They support the children’s learning and development across the Early Years Foundation Stage. There are popular stories such as Supertato, Oi Frog, Elmer, and Mr Men books.

We always finish the school day with a voted story however I would like to open this to Parents and Carers, to visit Wrens class and share a story to the class at the end of their school day. This would be on a Monday or Friday afternoon at 2.50 pm to share a story of your choice or one from our school library.

If you would like to volunteer to share a story and be a surprise for Wrens’ children, please complete the form below and return to school by **Wednesday 21st February 2024**.

I will then contact you to arrange a date for visiting Wrens.

Thank you in advance.

Yours faithfully,

M Bancroft-Turner
