Phonics

MEETING 2025

We know that you want to help your child to have the best chance of success in life? So, come and join us to further understand the importance of reading and to learn how we teach your child to read in school! (This will most probably have changed since you were taught to read)

Find out how to best support your child with their reading at home!

Each session will consist of an informal presentation, followed by a question and answer opportunity.

Find out how we can support you, to help your child to become a lifelong reader!

**TUESDAY 23RD SEPTEMBER, 2.45PM
FOR WRENS PARENTS**

We look forward to seeing you there!
