28th March 2024

Dear Parents,

Around the World Day

First Friday back after the holiday (Friday 19th April)!

On Friday 19th April, we will be having a theme day in school (Around the World). It will be a non-uniform day for all children – they should come dressed as if they are ready to go on holiday!

International Day

One of our curriculum drivers is Global Awareness because we recognise and value the importance of our children understanding where our location fits into the bigger picture of our amazing World! We want the children to understand and respect cultures in other countries and be able to make comparisons to their own lives.

On Friday 19th April, we would like all children to come to school dressed ready to go on holiday – they may even want to bring a small teddy to go with them! During the day, the children will travel to 4 different countries: Madagascar, Slovakia, Rwanda, Germany and South Africa. The children will learn some facts about each country, map where they are in the World, learn some of the language and maybe even taste some traditional food! All children will remain in their own class with teachers moving between the different classrooms to teach the classes about their chosen country at an age appropriate level.

We hope that the children enjoy the day and learn lots of new and interesting facts about four different countries and how our locality and culture compares to those visited.

Yours sincerely

C. Willows
