Dear Parent/Guardian

Wraparound Care Survey

We are currently in the very early stages of considering whether it is financially viable to start providing wraparound care (after school childcare) at our school.

We would appreciate you filling in and returning the survey attached to identify your requirements and preferences. This will provide us with a starting point to know whether this service is required in our setting or not. Your answers will not commit you to this provision and are only to support us in deciding whether it would be financially viable.

Following analysis of need, a decision will be made on how to proceed and further details of booking spaces will be provided if the provision goes ahead.

Please can you fill out and return the survey by Friday 1st March 2024.

Thank-you for your help.

Yours sincerely

C. Willows

Miss C Willows
