Dear Parent/Guardian

Tax Free Childcare Vouchers

We are delighted to announce that we can now accept Tax Free Childcare Vouchers for our WAC & Breakfast Club's.

Tax Free Childcare Vouchers entitle you to pay 80% of childcare costs whilst the Government pays the remaining 20% eg for every £8 you pay into the account the Government will pay £2.

If you are interested in using this scheme or you wish to apply to the Government to be able to use this scheme, then please visit to check your eligibility.

Your eligibility depends on:

- whether you're working (employed, self-employed, or a director)
- your income (and your partner's income, if you have one)
- your child's age and circumstances
- your immigration status

For more information and to register/sign in, please follow the link below.

<https://www.gov.uk/tax-free-childcare>

If you are eligible, and ready to use these vouchers against payment for either WAC or Breakfast Club, please fill out the slip below and return to me so that I can set up a new payment item for you via ParentPay, where these clubs will appear Free of Charge. You will then pay your contribution into the school bank account for these clubs and school will balance your payments against your bookings.

If you do not let us know that you are eligible and want to use this system, you will not see the payment "Free" option for these clubs when booking and hence you will have to pay.

Any questions regarding this venture, please contact me.

Yours sincerely

R.J. Gadsden
