19th June 2025

Dear Parents,

Swimming Lessons

Next week, your child will be learning some water survival skills in their swimming lesson. This is an essential part of their swimming lessons and part of the National Curriculum.

In order for them to do this please send in an old pair of shorts and T-shirt or an old pair of pyjamas which you are happy for them to swim in (they may fade due to the chlorine in the water).

They will be learning to take these off in the water so they need to be loose and easy to get off, and also how to keep warm and reserve energy.

The children will not be allowed to wear their PE kit as they need it to be in school for when they have PE.

Please remember to also send in their normal swimming kit to be worn under their clothes when swimming.

Thank you

Yours sincerely,

C. Willows
