School 'O' Vision Song Contest Costume Details

Dear Parent/Carer,

Before I go ahead and request assistance in getting your child's costume for our upcoming end-of-the year performance, I firstly would like to thank you for the support the children have been receiving at home to learn their lines. It is evident that a lot of work has been going on behind the scenes with many parents/carers now knowing the lines of several characters. Your child has put in a vast amount of effort these last couple of weeks to ensure we are on track to deliver the spectacle of the year! **And boy will this is a spectacle!**

Costume

Please see the table below where I have listed the **suggested costume** for each character and any **possible accessory** required. If you're able to provide this/these for your child, please could you send it with them to school (clearly labelled) as soon as possible so that your child can begin rehearsing in it. If, however, there are difficulties in obtaining this costume for your child, then please come and speak to me as soon as possible so that I can see what I can do.

As always, many thanks!

B. Richardson
