Hérons' School Production

Dear Parent/Carer,

Seeing as we want our end-of-year school production of 'The School-O-Vision Song Contest' to be a spectacle, we've decided to yet again get in contact with Mr Emrie (Lincolnshire Freelance Lighting and Sound Technician) to see if he would be prepared to rent out his equipment for another year. It comes with exciting news that he is willing to rent the many thousands of pounds' worth of lighting equipment to our school for the children to perform with at a heavily reduced cost of £200.

Unfortunately, having no budget for the performance, the children from Herons class have been given 2 options: either cancel the lighting equipment or fundraise the money for it. Feeling passionate and determined to perform with the lights, they decided that they wanted to raise the money.

Therefore, next **Saturday** (22.06.24) from **9am – 12pm**, we will be leading children from Herons Class to car wash safely and securely in the staff car park to raise this money. A risk assessment has been completed and all Health and Safety aspects considered. Please could you return the reply slip below confirming if your child **will** be able to assist for this short period.

This is a wonderful opportunity for them to learn the lesson that hard work does pay off and that nothing is handed to them – they simply have to work hard if they want it enough.

My final plea

So, if your car is in desperate need of a spruce and a clean-up, then please come to the school where we will make it look like new again between the hours of **9am – 12:00pm on Saturday the 22nd June!** A full car wash will set you back only **£7.00** and be washed by children wearing scratch-proof clothing. All proceeds will go to our performance fund so that we can have and pay for the lighting we wish for.

Kindest regards,

B. Richardson

Mr Richardson
 (Herons Class Teacher)

Dear Mr Richardson,
 I give permission for to take part in the car wash event on **Saturday the 22nd June** between the hours of **9am and 12pm**. I will ensure that he/she will wear clothing that contains no zips and that they do not mind getting dirty.
