Dear Parents/Carers,

**Aprons for Children of Swallows class**

Our curriculum is currently being developed so that practical subjects are much more prominent and given the space they deserve.

As you know, with paint and so called other 'messy activities' accidents do happen, and clothing can get dirty.

Delivering a broad range of sessions, while keeping your children's clothing clean is not an easy business and it is from here my request stems: could you provide an oversized top (but not too oversized) for your child to wear throughout the year, please?

My suggestion is that you think - will this easily go over them in their jumper with room to spare but not so much that it'll get in the way?

There is no need to buy anything new, as old adult-sized shirts/t-shirts are perfect (please ensure any labels/motifs are school appropriate though).

They will keep them on their pegs and bring them home when necessary.

Thank you for your support in helping 'messy times' become much smoother, with cleaner clothing for us all.

Best wishes

*C Moulis*
