### KS2 Archery

On Friday 9th January, we kicked off the new year with our first Sport2Day enrichment session! All KS2 children took part in an indoor archery enrichment session, learning how to hold the bow correctly, where to place the arrow, how to draw the string back and where to position their arms and eye in order to line the shot up with the target. The children all had lots of opportunity to practise and refine their technique before taking aim in the inter-school competition. Well done to all of the children for working hard to improve their archery skills and for trying their best in the competition. Scores will be entered from the session against other schools—we look forward to hearing how we have got on in the competition!

### Furry Visitor to Robins class

As part of their WOW Day on 9th January, Robins class had some small furry visitors to see them. Mrs Whittaker brought along her pet Guinea Pig, who was spoilt with carrots and celery and lots and lots of gentle stroking! Well done to all of the children for being so kind and gentle with our special visitors.

### It's Storytime!

On Wednesday evening, after school, children in Wrens and Robins class were encouraged to come back to school in their PJs for a story sharing session with hot chocolate! Well done to everybody that came along, were able to swap books with others at the session and who enjoyed sharing a story with their friends and parents. Congratulations to Riley who won the prize draw,

and claiming their £10 book token to help him to buy a new book for home! A big thank you to Mrs Whittaker for organising this event to help raise the profile of the importance of story time and the pleasure that can be had from it. This is all part of our journey on the road to encouraging all children to read for pleasure, opening up a world of fun and adventure to them!
