23rd January 2026

Dear Parent / Carer,

Numbers Day!

We are delighted to be supporting the NSPCC this year by taking part in a **Numbers Day** event on **Friday 6th February 2026**.

We will be hosting a non-uniform day with the theme of: **Numbers**. Find any piece of clothing you have that has a number somewhere on it to show your support. Don't have anything with a number on it – get creative and add something to a piece of clothing...

We kindly ask for a £1 donation in support of our chosen charity for this opportunity to dress up.

Throughout the day we will have a numbers focus in classes, including a house competition do help add to our house shells using our number skills.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services like Childline, which is always there for children and young people, whatever their worry.

On average, a child contacts Childline every **25 seconds**

We wish to help support those children who require these important services and thank you for your support too.

Yours sincerely

J. Quant
