2nd October 2026,

Dear Parents,

Whole School Open Morning

On Wednesday 7th October we will be having an open morning when all parents are invited to come and spend the morning in lessons with their children.

The open morning will run from 9 – 10.30am and you will be welcomed into school for either the whole morning or any part of it – which ever suits you best.

Children will work in their normal class or phonics group, doing their usual morning lessons. If you have children in more than one class, you will need to split your time between the classes that they are in.

Through pupil interviews we know that the children love having their parents in lessons with them so we hope that as many of you as possible will attend.

We look forward to seeing lots of you on the morning of the 7th October and hope that you will find this an interesting and rewarding opportunity to experience how children are taught in our school.

Yours sincerely

C.Willows
