Christmas is coming…and every little really does help…!

Dear Parent/Carer,

As our Christmas shopping gets underway, please make sure school is benefitting from your spending via easyfundraising. We have 43 supporters currently, and **we've earned a superb £650 in our first 12 months.**

easyfundraising helps thousands of registered charities raise funds for **FREE**. Over 8000 retailers are signed up, and they donate to us whenever you shop with them online. Brands include Argos, John Lewis, Boots, Booking.com and all the leading supermarkets to name just a few. Once you've checked out the retailer sends a % of your spend to easyfundraising who then pass it onto us quarterly.

When creating an account (via their app or website) you can activate the donation reminder and that way it will pop up every time you're on an eligible website, so you don't even need to 'remember to use it.'

I should stress we can't see what you're buying, but if you'd kindly consider signing up, we'd be really grateful. All funds raised are for the benefit of your children 😊

Best regards

Shannon Merchant
Chairperson

P.S Go Compare offers a standard £17.50 cashback every time someone purchases car insurance via their website. Imagine the money we could earn if every parent with a vehicle was using it even just once a year!
