Sports Afternoon and Family Picnic

Once again, this year we were blessed with great weather for our Sports Afternoon and Family picnic on the final day of last term. The sun shone as the children had great fun in the morning working in their House groups to earn as many points as possible. They all competed in 6 different activities which involved various sporting skills, such as hurdles, long jump, target throwing and balancing. All of the children had great fun taking part and encouraging each other.

At lunch time we were pleased to welcome lots of parents, family members and friends to school for the Family Picnic. The children enjoyed sitting with family to enjoy a delicious picnic in the sunshine before coming back

inside to refresh and take a comfort break before heading back outside to continue with the more competitive element of sports day.

During the afternoon, all children took part in 3 different races, followed by team tunnel ball and relay events. Also included this year for the first time, was a fun tunnel ball competition between House Captains, Parents and Teachers—with the House Captains being victorious!

A huge thank you goes to Mr Mooney for organising another fabulous event for the children and a big thank you to everybody who attended to cheer the children on.

Monday 9th June —The Deep whole school visit!

Please remember that Monday is our whole school visit to The Deep aquarium in Hull. It is an early start 7.15am arrival at the latest - please make sure that you are not late as the buses are not able to wait for anybody and we do not want any of the children to miss out on this wonderful opportunity to support their learning in Science and in many other areas of the curriculum. All children will need to wear school uniform and bring with them a packed lunch, unless you have ordered one through ideal meals (which will be given to the children when they arrive in school). The children will not be allowed to eat or drink on the coach, so please do not send in any snacks for the journey. We look forward to seeing you all bright and early on Monday!
