- TERM 6**— 1st June 2026 - 22nd July 2026

Merry Christmas and a Happy New Year!

As this calendar year draws to a close and the school term finishes, we would like to take the opportunity to thank you all for your support this year. It is a pleasure to work with you all in giving your children the best school experience that we can. We look forward to continuing this again next year when we return for Term 3.

We would like to wish everybody a very Merry Christmas—enjoy spending time with family, friends and loved ones, making precious memories that will last forever! Not forgetting the New Year which we hope will be a very good one for your all!

Herons Science Visit

On Thursday 12th December, Herons class went on a visit to the Horsefair in Wisbech, where they explored the natural and human habitats of the Fens. Based on research by the Centre for Landscape Regeneration, they investigated the past, present and future of this ecosystem. Using their own experiences, case studies and research to find STEM solutions to environmental challenges. Well done Herons class—this was tricky!

Festive Food and Crafts!

On Tuesday the school was full of Christmas cheer when we hosted 273 people for our Christmas Meal! It was a delight to have so many people in school, sharing this special occasion with their children. A big thankyou goes to

the staff who all worked incredibly hard in preparation and on this day, making sure that everything ran smoothly. The children enjoyed making the Christmas crafts in the classrooms with teachers and everybody enjoyed a festive meal whether they ate a hot meal or brought their own packed lunches. Thanks to

the PTA for serving hot drinks for parents in the break times. We hope that you all had a lovely time and enjoyed your time in school with us!

Dates for Next Term

Please make a note in your diaries of the dates listed to the left for next term. As always, these are subject to change, but we will try our best to stick to them whenever possible. Further dates may be added as the term progresses. More information about the events will be sent out in letters as each approaches.
